

Warranty on Spare Parts

Appliance Works Ltd provides a 6 month warranty on all spare parts sold by us but not fitted by our technicians. Spare parts installed by Appliance Works Ltd technicians carry a 12 month warranty in conjunction with the Appliance Works Ltd 12 Month Service Warranty Policy.

Conditions of Spare Parts Warranty:

The warranty covers spare parts under the following conditions:

- The customer can provide a proof of purchase.
- The part can be returned for inspection.
- Where the part is an electrical component it must be proven that the part has been fitted by an appropriately qualified electrician or technician.
- The part may be replaced or refunded at the discretion of Appliance Works Ltd.

Warranty Exclusions:

- This Warranty shall not apply to any defect or failure which in the opinion of Appliance Works Ltd arises due to mis-use, consequential damage on the parts supplied caused by the failure of other components or any damage or fault caused by flood, fire or act of God.
- This Warranty shall not apply unless all accounts related to the part and/or the customer are paid in full.
- This Warranty does not apply to consumable parts that are subject to wear& tear, such as rubber seals, filters, bulbs and in some cases glass.
- This Warranty is expressly restricted to defective parts and excludes any consequential damage that may have occurred.
